

BUILDING SIMPLY GREEN SINCE 1978

**Please Contact TJB Homes
Office For
Current Specifications!**

**WE DARE YOU TO COMPARE OUR
SPECIFICATIONS TO OTHER BUILDERS**

TJB Homes builds the best of both worlds!

Super Energy Design lessens the impact of housing on our environment and your wallet. Our combinations of innovative building techniques create comfort in the home, while reducing energy consumption and cost.

We Will Take Your Old Home in Trade
